

# LAURA ROJAS

## ARCHITECTURAL & INTERIOR DESIGN PROFESSIONAL | ENTRY-LEVEL DESIGNER

VANCOUVER, BC • LARM.25@GMAIL.COM • +1 (778) 251-7245

[LINKEDIN](#) • [PORTFOLIO](#)

Detail-oriented Architectural Designer with 4+ years of experience producing precise AutoCAD and Revit drawings, layouts, and as-built documentation. Proven ability to coordinate with multidisciplinary teams, standardize BIM workflows, and deliver accurate design packages. Autodesk Certified in Revit, currently seeking an entry-level opportunity to contribute technical expertise and support architectural design projects in Canada.

- **Technical Skills:** AutoCAD, Revit (Autodesk Certified 2024), Adobe Suite (PSD, AI), MS Office, BIM workflows, as-built documentation, blueprint interpretation, MEP.
- **Soft Skills:** Attention to detail, teamwork, deadline compliance, time management, and intercultural communication.

## EXPERIENCE

---

### **Team Member | Whole Foods Market**

*Customer Experience & Merchandising* | Vancouver, BC | Apr 2025 – Present

- Successfully collaborated within a diverse and fast-paced team environment, utilizing strong intercultural communication and conflict resolution skills to ensure high standards of customer experience.

### **Architectural Designer | Grupo Doss Arq**

*Interior design projects (Workplace and Residential)* | Bogotá, Colombia | Nov 2021 – Oct 2024

- Maintained 100% drawing accuracy by leading AutoCAD and Revit production, ensuring full compliance with both internal protocols and regulatory standards.
- Optimized BIM workflows, cutting drafting errors by 30% and accelerating project timelines.
- Led client design reviews, utilizing technical drawings (plan sets), 3D models, and detailed specifications to validate project scope and ensure alignment between client expectations and final construction documents
- Reviewed construction documents and shop drawings across architectural, mechanical, and structural disciplines to proactively identify and resolve potential conflicts, ensuring seamless integration on site.

### **Interior Designer | Entornos Productivos**

*Interior design projects (Hospitality)* | Bogotá, Colombia | Sep 2019 – Aug 2020

- Developed complete design concepts (including space planning and functional optimization) for Hospitality projects, creating compelling visual and material presentations that contributed to a 20% boost in client satisfaction.
